

Environment Policy

Miri Piri Khalsa College, Bhadaur is committed to creating a clean, green, healthy, and environmentally responsible campus. The College promotes awareness and responsible practices among students and staff for the conservation of natural resources and protection of the environment.

We encourage waste reduction, recycling, water conservation, energy efficiency, plantation, cleanliness, and sustainable practices across the campus. The College also promotes environmental awareness through academic activities, awareness programmes, tree plantation drives, and community initiatives.

Our objective is to develop an environmentally conscious campus community and inspire students to adopt sustainable practices in their daily lives.

Together, we strive to build a cleaner, greener, and more sustainable future.
